

**CAN I HAVE DENTAL
TREATMENT WHEN I HAVE A
COLD SORE?**

DUE TO THE INFECTIOUS NATURE OF COLD SORES, WEST HOUSE DENTAL PRACTICE HAS DECIDED NOT TO TREAT PATIENTS WHO HAVE AN ACTIVE COLD SORE.

WE APOLOGISE FOR ANY INCONVENIENCE THIS MAY CAUSE BUT FEEL THIS MEASURE PROTECTS BOTH OUR STAFF AND PATIENTS ALIKE.

IF YOU HAVE OR NEED A DENTAL APPOINTMENT AND DEVELOP A COLD SORE PLEASE CONTACT THE PRACTICE AND A MEMBER OF OUR TEAM CAN ADVISE YOU HOW TO PROCEED.

THANK YOU.
